Vincent VAN GOGH

'Another lick of paint here and a stroke there... Oh! How nice of you to come and see my drawings and paintings. I have made a lot of them and people from all over the world come to admire them at the museum. Take a look!

Tip: the flower is yellow!

ASSIGNMENT 1

Vincent loves nature. Just look around you! He also has a favourite flower that he often paints. Can you find the flower?

DID YOU KNOW?

Vincent feels very happy when the sun shines. That's when colours come alive! He thinks **blue** and **yellow** go together nicely. Can you find these colours in his paintings?

ASSIGNMENT 2

Can you find the potato? And the tree? Find them all!

Tick them off

Note! Not all the paintings are always hanging in the museum, so you may not be able to find them all.
